

Ms. Wheelchair

The Board of the Ms. Wheelchair Kentucky Pageant is currently searching for women to represent our great state of Kentucky.

Contestants must meet the following criteria:

- Be a U.S. citizen between the ages of 21 and 60
- Utilize a wheelchair for 100% daily community mobility
- Must be a resident of Kentucky for a minimum of 6 months.
- Marital status is not a consideration

Contestants are judged on their accomplishments, self-perception, communication and projection skills in the following: personal interviews, platform speech presentations, on-stage interviews.

The purpose of the Ms. Wheelchair Kentucky Pageant is to focus public attention on the abilities and accomplishments since the onset of disability of today's women. This is not a "beauty contest." We celebrate each candidate's self-perception of what she can do and how she uses her communication skills to deliver this important message to both disabled and able-bodied groups.
